Micah's Wonderfully Curious Facts!

God made an amazing world full of incredible things to discover!

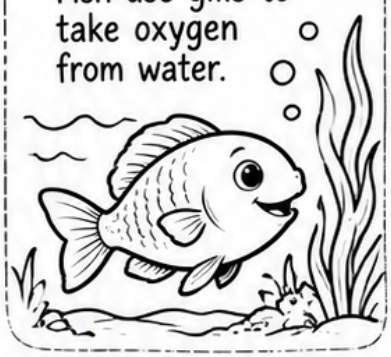

Ants

Ants leave scent trails to help other ants find food.

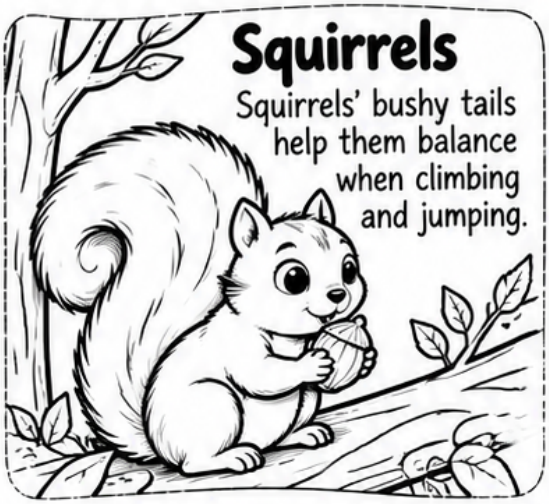

Fish

Fish use gills to take oxygen from water.

Squirrels

Squirrels' bushy tails help them balance when climbing and jumping.

Butterflies

Butterflies taste with sensors on their feet!

Sunflowers

Young sunflowers can turn to follow the sun.

Now It's Your Turn!

What's something amazing you've noticed in God's creation?
Draw it or write about it!

God made everything, and it is very good!

I Spy God's Creation

Can you find each of these in the picture?

a bird | a squirrel | a butterfly | a dragonfly | a fish | a frog | a turtle

a flower | a lily pad | a snail | a ladybug | an ant | a tree | a cloud | the sun
